

VIENNA

HUMAN CADAVER DISSECTION
COURSES

FOR PLASTIC-, AESTHETIC- AND ORAL IMPLANT SURGERY

The Female Breast

International Course on Aesthetic and Reconstructive Surgery
Hands-on-Human-Cadaver-Course
Vienna, 3rd to 4th of May 2008

Faculties:

Giovanni Botti

Mario Pelle Ceravolo

Topics:

Hands-on

- **Surgical Anatomy and Aesthetic Analysis**
- **Mamma - Augmentation up to date**
- **Mamma - Reduction up to date**
- **Mastopexy Techniques**
- **The Mamilla-Areola Complex**
- **Complications: what to do?**

Course Aim:

This course has been pioneered to meet the specific needs of the mammary surgeon to **update your knowledge** and perform **advanced techniques** in Mammoplasty.

Course Description:

This seminar will be our first Hands-on-Course in mammoplasty - open to an international public.

Botti and Ceravolo, internationally renowned for highest standards in Aesthetic Plastic Surgery, will guide you through the entire process. The participants will perform Mammoplasty Surgery Techniques as described in above topics. 70% of the course is hands-on with 30% lectures about explanations of the techniques and live or video taped dissection (displayed on screen), **all step by step**.

A maximum of two participants will be assigned to each cadaver. The cadavers are fresh and not embalmed a nearly "close to reality" simulation of the surgical procedures can be experienced. Tutors are around to help you.

Course Fee: Euro 2.500,- (Workplaces limited to 16 participants)

Course Language: English

Organisers: Norbert Fock, M.D., D.M.D., Hannes Traxler, M.D., Ph.D.

Location: Center of Anatomy and Cell Biology of the Medical University of Vienna, Währingerstr. 13, 1090 Vienna, Austria

Details and booking only by: www.human-cadaver-courses.com

Social:

At the evening after the first course day we invite you for a relaxing dinner at one of Viennas most famous vineyards („Heuriger“) with traditional food, wine and music (included in course fee)
